LEGION POST GETS BEHIND SCHOOL BONDS

\$35,000,000 Issue Is Approved by Veterans of War

The following resolution was unanimously passed by the Bert S. Crossland post, American Legion, Monday night:
 Whereas, the public schools of this district are greatly in need of added facilities, and
 Whereas, a bond election to provide new schools and equipment is to be held, and
 Whereas, the American Legion in state and national conventions has repeatedly reiterated its support of the American public school system;
 Now, therefore, be it resolved, by Bert S. Crossland Post No. 170, the American Legion, of Torrance, Department of California, that this post does most heartily endorse the proposed bond issue and pledges itself and its members to do all in their power to aid in the carrying of these bonds; and
 Be it further resolved, that copies of this resolution be sent to all the papers of this district, to the superintendent of schools, and to the Torrance board of trustees.
 FLOYD O. PARKER, Adjutant.
 JAMES S. SCOTT, Commander.

DECENTRALIZE HOSPITAL, IS BOARD'S PLEA

Torrance Chamber Favors Plants Outside of City of L. A.

The decentralization of the county hospital received the unanimous endorsement of the Torrance Chamber of Commerce Tuesday afternoon. The board passed a resolution, to be sent to the board of supervisors, commending to that body the plan for the location of several hospitals in separate parts of the county.
 Speaking of the decentralization plan, Dr. Lancaster said: "The county hospital is located in Los Angeles. To take a patient there from some parts of the county necessitates a long, slow drive through Los Angeles city traffic. The county is planning to spend some \$4,000,000 on the county hospital. Four million-dollar hospitals, properly located, would benefit the outlying districts much more than one four-million-dollar hospital in the city."

AUTO CLUB TO PUT UP SIGNS FOR TORRANCE

Boards Will Be Placed at Numerous Intersections

The world will soon know how to get to Torrance. J. S. Torrence, Chamber of Commerce director, reported Tuesday afternoon that highway signs indicating the way and distance to this city are being prepared by the Automobile Club of Southern California, to be placed at numerous intersections on all sides of the city.
 The board is speeding up negotiations for a big electric sign which will be placed on Harbor boulevard at the intersection of East road.

C. of C. Wires Solon On Postal Measure

The Page bill, now before Congress and providing for 200 per cent increases in parcel post rates, was brought to the attention of the Torrance Chamber of Commerce directors Tuesday afternoon. They ordered the secretary to wire Congressman Frederickson, urging him to withhold decision as to the merits of the bill until the annual report of the postmaster general is made.

LADIES' AID MEETS

The Ladies' Aid society of the M. E. church met in the church last Tuesday. A goodly number of the ladies were out in the morning, sewing, making fancy work, and tying comforts.

A splendid lunch was served at noon by the hostesses, Mesdames Morris, Mowry, Malone, Meizer, and Jones. The interest is good, and the society will keep the work going through the summer.
 At the business meeting in the afternoon the resignation of Mrs. Tom Turner was accepted, and Mrs. Dilley was elected to fill her place.

W. B. A. NOTICE

Torrance Review No. 37, W. B. A., will hold their regular meeting next Tuesday, May 27, in Legion hall. There was a good turnout last meeting. Let us keep the good work going and have a full attendance next Thursday evening.

UNIVERSAL MAKES TOO GOOD FLOWING WELLS FROM PUMPERS

Establishing the fact that many of the oil wells now on the pump in the closely drilled area of the field may be induced to flow again, the Universal Consolidated Oil company this week more or less startled other operators by converting two of the pumpers on the Jones lease into flowing producers.
 More than this, both the wells are flowing more now than they were pumping previously.

Jones No. 1 for several weeks has been making about 90 barrels a day on the beam. The company pulled out the sucker rods and cleaned the well thoroughly. It is now flowing at the rate of 150 barrels a day.
 Jones No. 8 was pumping 140 barrels, but since it was cleaned out it has averaged about 250 barrels a day.
 Both of these wells are on the community lease located between Palm and Pepper streets.

WOMAN'S GUILD MEETS

Mrs. R. M. Shuart was hostess Wednesday afternoon to eleven ladies of the Woman's Guild of the Episcopal church. A pleasing part of the program was music by Mr. Demitt, violinist, of Torrance, with Mrs. Shuart as accompanist. Refreshments were served.
 Membership in the Guild is growing and an increased interest in these meetings, which are held regularly, is manifested.

MRS. KELLY ENTERTAINS

Mr. and Mrs. Ed Kelly entertained a party of friends at their home Thursday night, the occasion being in honor of Mr. Kelly, whose birthday occurred the first part of the week. Five hundred was enjoyed, and after the prizes were awarded for high score a delightful luncheon was served. Those present were Mr. and Mrs. George Peckham, Mr. and Mrs. Charles Ray and daughter Dorothy, M. L. Horn, and Mr. and Mrs. Ed Kelly.

It is human nature to like those who treat you fairly, yet there are many stores who do not seem to value the importance of making permanent customers, thinking only of the immediate present and treating a customer as though they never expected to see them again—(and they usually do not.)

We believe that our principle of "Fairness To All Customers" which has been carefully and continuously observed, has quite naturally created confidence in our merchandise, our prices and our advertising on the part of the buying public and makes customers think of this store when they want to make a purchase.
